Dear Friend/Partner:

Servicios Latinos, aka SELBUC Multicultural Social Services, kindly invites you to be part of our annual Hispanic Heritage Celebration 2021, and cordially ask that you consider becoming a supporter/partner for this event taking place on **September 25th**

Throughout the years, this annual event, has allowed Latinos, and others from different cultures and backgrounds, to come together to enjoy the great diversity of our county. Additionally, it allows families to have access to free health screenings, and get connected and educated on the various county/state resources, social service providers, and community businesses. This outdoor event is composed of a great variety of community members of all ages (child to senior), who come together to enjoy live bands and other recreational activities.

Servicios Latinos de Burlington County Inc. is a 21-year-old social service agency (501c3) whose mission is *to advance the Hispanic population of Burlington County by providing individual clients with assistance in translating and the securing of education, employment, housing, transportation, health and other related services*. These services are provided to low-income Latino and non-Latino individuals regardless of their race, religion, or color. Our agency operates on fundraising events, grants, donations, and nominal fees for sustainability. We hope that your business/organization will consider being part of this celebration.
